I hope everyone is excited about the start of the new academic year!

For the new students at Osaka Ohtani University: WELCOME!

For current students: WELCOME BACK!

Let's work hard and have a great semester!

Phil's Vacation

I didn't do any travelling during the winter/spring vacation this year. However, I did celebrate my birthday by eating some amazing Yakiniku.

The highlight of my vacation was cycling. I went on quite a few rides to Kyoto and Hyogo prefectures. Onoyama in Hyogo was a huge challenge! It is probably the steepest mountain I have climbed on my bike! I guess that's why it's called "Oh no! Yama!" My fitness has improved drastically in the past two months thanks to all the cycling!
