科目名 Active Oral English I -2	対象学科・学年 文学部英米1回生	担当者 フェルドマン
授業テーマ English communication through active situations.		
授業の概要と目標 The aim of this course is to stimulate oral communication in English by using English students have studied previously. Classes will focus on basic grammar-based points. Students will be expected to participate in English-based activities with partners, small groups, or even the entire class. Activity topics will include grammar points to games, questions and answers, to very short writing and listening exercises.		
評価方法 Grades based on attendance, participation, effort, amount of spoken English, and written journal homework. (Details explained on first day of class.)		
テキスト Handouts will be used in lieu of a text.	著者	出版社
