授業テーマ This is a three-week study abroad program with a homestay.		
授業の概要と目標 During the three-week program students will study 60 hours of English in the language centre. Students will be encouraged to join in group activities in the afternoons and at the weekends. Students are expected to enthusiastically use English.		
評価方法 Students must attend classes regularly, study with enthusiasm and cooperate with their host families. Each successful student will receive an attendance certificate which must be handed to the Ohtani International Office.

授業スケジュール・内容 The language program will normally be available for three weeks in August in (1) Langara College (Vancouver, Canada) (2) Sheffield Hallam University (Sheffield, England) (3) Leeds Metropolitan University (Leeds, England) The General English course is for three weeks with four hours of instruction in the mornings on weekdays. The majority of the lessons are aimed to develop students' English speaking ability. There will also be lessons of grammar, listening, writing, role play etc. In the afternoons there will be various activities and places to visit of local interest. There will be opportunities to visit more distant places at the weekends. The main purpose of each activity is for students to experience that country's culture directly in English.
